

November 2020

**JOIN THE HCoA ! Hamilton Council on Aging 2020-2021 "Opportunities Package for Partners in Positive Aging" is now available.**

Dear Community Partners and Supporters,

In 2019, the Hamilton Council on Aging (HCoA) launched the Opportunities Package for Individuals, Non-Profit, and Corporate Organizations!

HCoA works to advance positive aging for ALL older adults in Hamilton. We believe in inclusion, diversity and collaboration. We value the notion that our shared work with community members, volunteers and partners and their insights, knowledge and experience make us stronger!

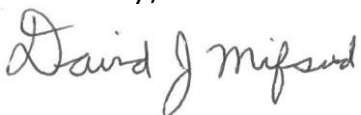

For over 13 years, the HCoA has been a community leader in creating positive aging experiences for older adults through the development of collaborative programs– from Age Friendly Hamilton to Let's Get Moving to enhancing Dementia Friendly Communities to ongoing wide-scale events, fairs and opportunities that bring seniors and our community together. In this time, we have developed strong partnerships with individuals and organizations whom we recognize have shared goals and aspirations to create a community that values and supports older adults and their contributions.

The HCoA Opportunities Package for Partners in Positive Aging was launched to strengthen our community partnerships and provide formal opportunities for you to become involved with the HCoA! Packages include benefits such as joining our mailing list to learn about and share information, opportunities to host an exhibit at wide-scale community events, and more! For only \$5/Individual, \$25/Non-Profit Organization, and starting at \$75/Business, you can officially join the HCoA.

In this time of Covid-19, it is especially critical that we continue to meet the needs of older adults. Please consider making a personal contribution to HCoA as well as becoming a member.

Please take a moment to view the attached package and discover the ways that you can benefit and help us make positive aging a visible reality in Hamilton!

Sincerely,

David J. Mifsud  
President, Hamilton Council on Aging
