

Meet the Winners of the DICE Haldimand Mural Contest!

2nd Place (tie): Gina McIntee from Dunnville

Gina's artwork be showcased as part of Dementia Inclusive Communities for Everyone Haldimand Mural – launching in Caledonia in September 2022!

About Gina

Greetings everyone! I have been painting and incorporating the arts into the community for 25 years and have loved every minute. To create and express is a wonderful option to promote wellness for an individual or community. I paint with a strong acknowledgement of Spirit, nature, wildlife & water. I have been fortunate to illustrate books, logo designs, retail commissions and facilitate participatory projects. I have submitted to this contest because I support the DICE team and believe we are all a part of community, and this is the way I am able to express my feelings & thoughts.

Concept for Gina's Winning Design

"Spirit of Community" is an image with the rising sun, a new day, a new beginning, the Eagle soaring... acknowledging the gathering, seeing life from a higher perspective. The foreground represents the Grand River that flows and connects all communities in Haldimand. The grand ripple effect is the flow of "hearts" love within our community. The Blue Heron is a symbol of strength and direction.
